Alma Mater

Hail to thee, our Alma Mater!
Bold thy banner waving o'er us!
Let each loyal son and daughter
Proudly stand and raise the chorus:
From Old Scotia's lofty lands
To Carolina's gentle plain
Now thy noble name St. Andrews,
Ever glorious shall remain!

Hail, all hail to thee, St. Andrews!
May thy courage be unbending
Guided by His mighty hand, whose
Loving mercy knows no ending.
With thy saltire raised before us
Cross of white and field of blue
We proclaim thy faith victorious
And thy vision ever true!

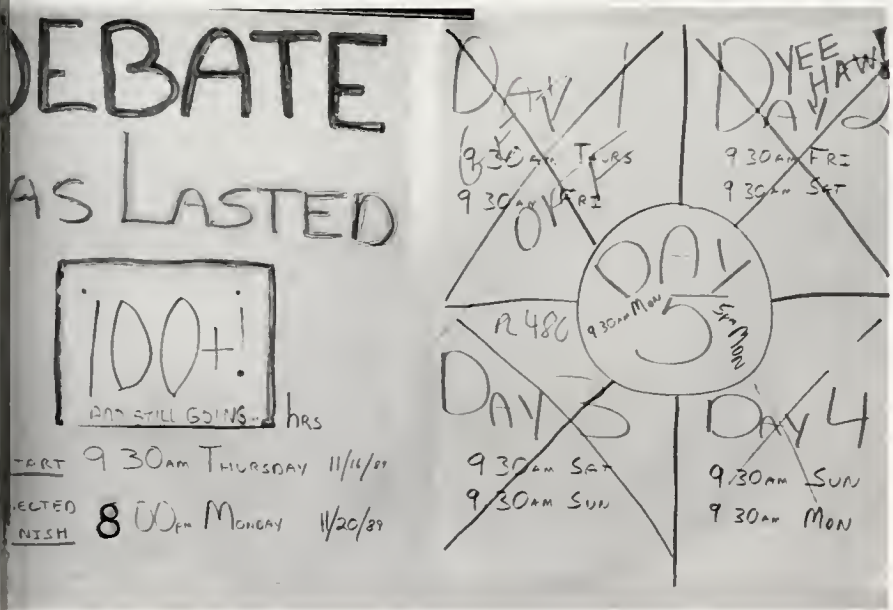
St. Andrews Record Breaking Debate Team.

The Debate team started off the year with a bang. With the help of Lisa Dubs, the debate team set out to break the world record for non-stop debating. The topic World Hunger, was viewed from every angle by the four debaters. (John Cox, Shannon Gill, Bobby Simpson, and Todd Jones) They were allowed five minutes of rest, most of which they accumulated to get a few hours sleep each night. On November 20, 1989, the St. Andrews Debate Team succeeded in breaking the world record by debating for over 102 hours. This new record beat the old one by over 2 hours. St. Andrews students participated in the debate by staying the night in the Belk Main Lounge with the debaters. Students would bring homework and games and would periodically cheer.

To the applause of many, the debaters seemed as if they could go on forever. Five days of staying awake and fighting sleep was finally over. Victory was taken.

John Wheeler, Lisa Dubs, and Shin Cha were responsible for keeping time, video taping, and seeing operations ran smoothly. They were very happy to see their hard work pay off.



sign outside of Belk Main Lounge let people know how things were going. The initial ending me was 5 p.m. Monday, but due to some misunderstanding the official time was moved to 8 .m. That, however, didn't stop St. Andrews. The victory was ours!

I would like to thank the following people for all their help. Without them I would have lost my mind and the yearbook would not have happened.

Georgia Goff and Marla Gower for help with layouts.

Troy Blackman for staying up late with me to meet a deadline.

Marsha Hansen, Sharon Frain and Bill Cox for being the only people who showed up for the big yearbook work day.
